

Neighbors Helping Neighbors Program

About the Program

The Neighbors Helping Neighbors program is designed to strengthen our community by connecting residents who need assistance with caring and capable volunteers willing to lend a helping hand. The program fosters a spirit of unity and compassion, ensuring that everyone in our town feels supported and valued.

Purpose:

This program aims to assist homeowners who may face challenges completing everyday tasks due to age, physical limitations, or other circumstances. By harnessing the kindness of volunteers, we can enhance the quality of life for all residents and create a stronger, more connected community.

Tasks and Services Offered:

Volunteers can assist with a wide variety of non-professional tasks, including but not limited to:

- Yard Work: Mowing lawns, trimming bushes, weeding, and general lawn maintenance.
- Home Maintenance: Painting, minor repairs, cleaning gutters, or replacing simple fixtures.
- Routine Chores: Taking out the garbage, organizing small spaces, or helping with basic household needs.
- Seasonal Assistance: Preparing for hurricanes, or clearing debris after storms.
- Other Tasks: Assistance with unique, non-specialized tasks as requested and agreed upon by volunteers.

This program does not provide professional services such as plumbing, electrical work, or large-scale home renovations. Instead, it focuses on neighborly gestures that make a big difference in the lives of those in need.

By joining the Neighbors Helping Neighbors program, whether as a volunteer or someone seeking help, you're contributing to a community that cares. Together, we're making our Town a better place to live for everyone.
