**NOTE:** The Town of Lantana Public Works / Utilities Department must be Notified 48 hours prior to the start of construction. Inspections will be required at the Town's discretion during normal working hours only. Proper MOT must be maintained. All construction activities are to use best management procedures to prevent, to the extent possible, sediments from entering adjacent property, water bodies, or other areas which may eventually cause them to be washed into adjacent surface water bodies prior to completion of construction. Locations must be completed prior to excavating and boring. No excavating or boring will be allowed on Fridays except for emergency situations approved by the Town of Lantana Public Works/Utilities Department.

**Contractor's Affidavit:** Application is hereby made to obtain a permit to do the work and installation as indicated. I certify that no work or installation has commenced prior to the issuance of a permit and that all work will be performed to meet the standards of all laws regulating construction in this jurisdiction.
