INTRODUCTION

The purpose of this report is to provide the Town of Lantana (Town) Town Council and Community with a high-level executive summary of the status of the Town's major projects and various current and upcoming operational matters. Additional information may be available upon request.

MISSION STATEMENT

To preserve Lantana's small-town atmosphere through responsible government and quality service.

NEWS RELEASES

King Tides Expected – 11/26/2023

King tides are a natural part of the tide cycle, which means they can be predicted far in advance. However, on the day of the predicted king tides, natural variations in weather may cause more or less flooding than expected. Based on the National Oceanic and Atmospheric Administration's predictions for the Lake Worth tide gauge, the remaining date for the highest tides of 2023 in Palm Beach County will occur on 11/26/2023. King tide flooding is not guaranteed during this date and sunny days and other types of flooding, such as rainfall induced flooding or storm surge, may occur outside of this date!

2-1-1 Palm Beach and Treasure Coast

The 2-1-1 Helpline Community offers many services to all Palm Beach County residents. They give hotline assistance in different languages (i.e., English, Spanish and Creole), providing suicide prevention, crisis intervention information, assessment and referral to community services for people of all ages. For more information or if you need assistance, please follow the link below and find the 2-1-1 Palm Beach County website at: <https://www.lantana.org/links>.

Haunted Nature Preserve

The Town held the "Haunted Nature Preserve" event on Friday, 10/27/2023, from 6:30 p.m. – 9:00 p.m. at the Lantana Nature Preserve. Residents enjoyed the Haunted Trail along with the hayride, DJ and vendors. The Town would like to thank everyone who participated in this very festive event.

ParkMobile – New Parking System Implementation

The ParkMobile Parking System was implemented on 11/06/2023. On-site assistance was made available for the first week of implementation. Additionally, new signage was installed to assist users with the transition to ParkMobile.

Florida Power & Light Company (FPL) News

On 11/09/2023 the Town met with our new FPL External Affairs Area Manager in order to improve communication between the two (2) organizations. Coming soon, the Town will include a section in our Town Manager Report that will provide updates from FPL in reference to their ongoing projects or items of concern that are specific to our residents.

Palm Beach County Day 2024

Plans are already underway for Palm Beach County Day in Tallahassee which has been scheduled for 01/09 – 01/10/2024. Members of our Town Council and the Town Manager will have the opportunity

to travel to our State Capitol to observe our Legislative Process in person, meet with members of our Lobbying Firm and network with other municipalities and organizations attending the event.

The Town will hopefully be able to utilize this time to meet with both Senator Bobby Powell Jr. and Representative Mike Caruso in order to discuss the opportunity of gaining their support to fund the Town's FY 2024/25 State Appropriation Requests (see [State Appropriations Project Request – FY 2024/25](#) under **GRANTS**). During this time, the Town will provide a first-hand account of the Town's challenging capital and infrastructure needs.

CodeRED

To enroll, visit <https://www.lantana.org/> and click on CodeRED alerts OR text "Lantanaalerts" (as one word) to 99411.

Things to Know About CodeRED

- CodeRED delivers notifications by phone, email, text and mobile alerts
- CodeRED is compatible with TDD/TTY devices for those who are deaf or hard of hearing
- Individuals and businesses may add as many phone numbers, emails and texts numbers as they choose

For more information about CodeRED Lantana Alerts, contact the Town Clerk Kathleen Dominguez at kdominguez@lantana.org or (561) 540-5016.

Water Treatment Plant and Water Distribution System Improvements Update

All of the new high service pumps are now online and are operating as designed. They will continue to be closely monitored to ensure that their smooth operation continues.

Periodically, it has been brought to the attention of Town staff that some areas of the Town occasionally experience water discoloration or "yellow tinted water" coming from their tap. Please be advised that the Town's drinking water is monitored and tested on a daily basis and continues to confirm that it is safe to drink and that it is well within all mandatory Florida Department of Health water treatment parameters. The Town internally tests the water on a daily basis for chlorine, hardness, color, iron, PH, alkalinity, chlorides, total dissolved solids, temperature and conductivity. In addition, the water is tested externally three (3) times per month for various conditions (i.e., total coliform/E.coli; total coliform/fecal; enterococci; coliphage and HPC) and semi-annually for lead and copper.

In order to provide an immediate response to this concern, the Town continues to perform an aggressive hydrant flushing program that helps to properly distribute the treated water within the system. In addition, we have recently installed three (3) automatic flushing devices in various locations throughout Town. Due to the complex and intricate design of our Water Treatment Plant (WTP), Town staff continues to work closely with our engineers to design cost-effective long-lasting improvements which are expected to significantly improve this issue. At the 06/12/2023 Town Council Meeting, a contract was awarded to RF Environmental Services, Inc. in the amount of \$2.4M for Filter Media Replacement and WTP improvements. The contractor has ordered the long lead time items and the first resin replacement is tentatively scheduled to begin in December 2023.

In addition, the Town's WTP Softening System is temporarily off-line due to circumstances beyond our control. Due to the current condition, residents and businesses alike may see a slight formation of unsightly mineral deposits, generally calcium and magnesium, which is often referred to as "limescale" or "mineral scale" build-up on their fixtures, shower doors, etc.

The water is still being treated to safe drinking water standards and drinking the water from the tap poses no health risks to people or animals. The Town's Public Services Department is working to correct this issue as expeditiously as possible and will provide updates, as necessary.

If you should have any concerns regarding the color and/or quality of your drinking water, please call the Town's WTP at (561) 540-5760 between the hours of 7:00 a.m. and 4:00 p.m. so that we may address your specific concerns.

Moreover, Town staff continues to work closely with our engineers on other water-related improvement projects to ensure that the Town continues to provide quality potable water in a safe, consistent and cost-effective manner. These include:

- Completing the design work for the Broadway and WTP Discharge Water Main Pipe Replacement Project (advertised Fall of 2023).
- Water Main Replacement Project under the Florida East Coast Railway tracks at Pine St (temporarily delayed for further evaluation).
- Replacement of the WTP Softening System.

All of these projects are ongoing simultaneously, in various stages of progression and are of the highest priority to Town Officials and staff. In addition, the staff meets monthly with our engineers and independent consultant to ensure that we remain on task. In many cases, there are multiple regulatory agencies that we need to coordinate with and design issues which need to be addressed in order to ensure the delivery of safe and reliable projects to the Town's residents and business owners.

Due to the enormity and complexity of these projects, in many cases, they are phased in over multiple years in order to effectively plan, design, bid, award, fund and construct the projects at hand. Funding has been provided for many of these projects including Federal and State appropriations (through Congresswoman Lois Frankel's Office and with the assistance of our Lobbyist – Ballard Partners, respectively). We are also pursuing other grant opportunities to assist with our funding needs for these and our other infrastructure related projects with the assistance of our professional grant writer (see **GRANTS**). The Town will continue to provide updates as to the status and progress of these projects. Thank you in advance for your patience and cooperation as it is greatly appreciated!

Hurricane Nicole Update

On 11/09 and 11/10/2022, the Town experienced impacts from Hurricane Nicole (i.e., storm surge and the unusually high tide which caused normally dry areas near the coast to flood). Although the impacts to our community were fairly light, the Town continues to work on the following items in response to damage/delays caused by the storm:

- Seawall Update
During the storm, a portion of the seawall at the top of Dorothy Rissler Lane was damaged. At the 02/13/2023 Town Council meeting, a Consulting Services Agreement (CSA) with our engineer was approved to provide designs, drawings and specifications to repair the seawall. The project was sent out for competitive bid in August 2023, opened on 09/19/2023 and was awarded at the 10/23/2023 Town Council meeting. Staff is currently awaiting responses from the selected contractor.
- Dune Restoration Project Delayed until November 2024
On 10/24/2022, the Town Council approved the 1st Amendment to the Interlocal Agreement (ILA) for the Dune Restoration Project – Reach 9 (Project) with the Town of South Palm Beach and Temporary Easement Access Agreement with the Town of South Palm Beach and the Town of Palm Beach which extended the term of the project through 02/28/2023.

On 11/21/2022, the Town was informed that the Project would be delayed until late 2023 or early 2024 due to the fact that the sand stockpile that was planned to be used was washed away by Hurricane Nicole.

On 07/18/2023, the Town was informed by Palm Beach's Coastal Program Manager that their Town Council had decided to delay beginning the Project until at least November 2024 so that other capital improvement projects could be prioritized. As a result, the Town will continue to work closely with our municipal partners to enter into updated agreements so that this Project may resume when feasible.

Elevation Requirements for New Construction and Substantial Improvement Projects in Special Flood Hazard Areas

In designated flood zones, building codes require new construction and substantially improved building projects to be built at a minimum height of the designated Base Flood Elevation (BFE) plus one (1) foot. "Substantial improvement" means any reconstruction, rehabilitation, addition or other improvement to a structure, where the total cost equals or exceeds 50% of the market value of the structure before the start of construction of the improvement. Please contact our Planning and Zoning Division for more information regarding these requirements at planning@lantana.org.

Assistance with New Businesses and those making Home Improvements

Please help us help you! It's never too early to reach out to the Development Services Department if you are thinking of opening a new business in Town, moving your business to a new location or doing a home improvement project. The earlier you know if permits are needed, if your use is permitted at a location and/or if there are certain code requirements that need to be met, the more seamless we can make the process. Having the information ahead of time will help facilitate a successful outcome and will assist in preventing frustration and unnecessary delays. The Development Services Department is here to guide you through every step of the Town's processes and requirements.

Permit Extensions

Building Permits can expire if there is no activity on the project. Work shall be considered to be in active progress when the permit has received an approved inspection within 6 months. If your permit is set to expire, you can request an extension in writing with justifiable cause prior to the expiration. The Town's Building Official has authorization to grant, in writing, one (1) or more extensions of time, for periods not more than three (3) months each. Please contact the Building Division for more information regarding these requirements at buildingpermit@lantana.org.

Reporting Code Violations

If you are reporting a potential Code Violation, you must include your name, address and contact number for an investigation to occur. Per a Florida State Statute passed in the Summer of 2021, Code Enforcement can no longer act upon anonymous complaints. However, this does not apply if the code inspector has reason to believe the violation presents an imminent threat to public health, safety, or welfare or imminent destruction of habitat or sensitive resources. For more information on the legislation, please see the following link <https://flsenate.gov/Session/Bill/2021/60/?Tab=BillText>.

TOWN CLERK

2024 Election Information

The Town's next general election day is Tuesday, 03/19/2024, to elect candidates for the Office of Mayor, Group 5 (three-year term). The qualification period for the 03/19/2024 election began at noon on Monday, 11/13/2023 and ended on Friday, 11/17/2023 at 4:30 p.m.

The following candidates have qualified to run for the Office of Mayor – Group 5:

- Karen Lythgoe (incumbent)
- Jorge Velazquez

Please visit <https://www.lantana.org/town-elections> for more information.

New Election Laws now Require

Voters to Renew their Vote-by-Mail Ballot Requests After Every General Election Cycle.

Under current Florida Law, ALL Vote-by-Mail requests submitted before the 11/08/2022 General Election, expired on 12/31/2022. Therefore, voters who wish to receive a Vote-by-Mail ballot for the 2023 through 2024 elections must complete a new Vote-by-Mail ballot request.

Updated Vote-by-Mail ballot requests will be valid until 12/31/2024. After the next General Election, voters will need to make the request again, and it will need to be renewed after every General Election cycle for future elections. Vote-by-Mail ballot requests can be made online at [Palm Beach Supervisor of Elections > Home \(votebeach.org\)](https://www.votebeach.org) or by calling (561) 656-6200.

Schedule of Future Events/Important Dates

- 11/23 – 11/24/2023 – Town Offices closed in observance of Thanksgiving
- 11/29/2023 – Planning Commission Meeting, Town Hall Council Chambers, 6:30 p.m.
- 11/30/2023 – Hurricane Season Ends
- 12/07/2023 – Hanukkah Begins
- 12/08/2023 – Winterfest, Town Hall, 6:00 p.m. – 8:00 p.m.
- 12/11/2023 – Town Council Meeting, Town Hall Council Chambers, 6:00 p.m.
- 12/15/2023 – Hanukkah Ends
- 12/24/2023 – Christmas Eve
- 12/25/2023 – Town Offices Closed in Observance of Christmas Day
- 12/27/2023 – Planning Commission Meeting, Town Hall Council Chambers, 6:30 p.m.
- 12/31/2023 – New Year's Eve

PUBLIC SERVICES DEPARTMENT

New “Fall In Love with Lantana” Banners

As part of the Town's beautification efforts and in order to enhance our appearance and to welcome in the Fall, the Town has installed newly designed Fall banners in and around Greynolds Circle. The Town plans to change out the banners seasonally. Hope you enjoy the new look and colors!

Sea Pines Neighborhood Drainage Information

The Public Services' Utilities Division is equipped with pumps that can be immediately mobilized to mitigate potential street flooding and threats to property. Stormwater infrastructure maintenance is routinely performed and a Stormwater Pump Station contract was awarded to Ferreira Construction Southern Division Co., in 09/2022. This Pump Station will be utilized to control the water level there and reduce the likelihood of street flooding in the area. The long lead time equipment was delivered in 07/2023 and mobilization began on 08/08/2023. The upgrading of the downstream outfall pipes near Cabot Dr has been completed. A pre-construction meeting with SFWMD was held on site and the installation of the pumpstation has begun. The pump station is currently projected to be completed by February 2024.

Hypoluxo Island Drainage Information

- On 01/20/2022, staff and the Town Engineer met with Hypoluxo residents to listen to their drainage concerns on both the north and south sides of the Island. As a result of that meeting the Town Council approved CSA 2022-04 with the engineer to prepare a study in areas on Hypoluxo Island that are prone to flooding during periods of intense rainfall and/or high tides.
- On 10/19/2022, Town staff met with the engineer preparing the drainage study to review preliminary recommended drainage system improvements.
 - An on-site meeting occurred on 11/02/2022 to review the potential locations of the recommended drainage system improvements.
 - A Workshop was held on 12/12/2022 at 5:30 p.m. to discuss the engineer's preliminary findings and they finalized their report on 02/15/2023. On 04/24/2023, the Town Council approved CSA No. 2023-03 with our engineer for the design, permitting and bidding for the drainage improvement project for N Atlantic Dr and Beach Curve Rd. This process is expected to be wrapped up in April 2024.

Railway Information

On 01/24/2023, a meeting was held between the Town and representatives from the FEC and Brightline to discuss and review plans for a potential Corridor Improvement Project. The purpose of the meeting was to walk the corridor and survey the area for potential improvements that will limit trespassing and vagrancy incidents along the corridor, while maintaining or improving the visual aesthetics throughout the Town.

On 02/27/2023, a Workshop was held at 5:30 p.m. so that representatives from the FEC could discuss with the Town Council the potential closing of the W Pine St crossing in exchange for substantial infrastructure type improvements along the entire railroad corridor (i.e., fencing, sidewalks, landscaping, intersection/roadway improvements, etc.). Such projects would likely be funded from a combination of a federal grant and local sources. Representatives from Brightline and the FRA assisted in the presentation. In addition, representatives from the Florida Department of Transportation (FDOT) and the Palm Beach Transportation Planning Agency (TPA) were present to lend their support to the potential project. At the meeting, there was consensus among the Town Council for staff to continue exploring this opportunity and to hold an informational Workshop for our community.

On 04/06/2023, the Town and our railroad partners hosted a public Railroad Corridor Municipal Workshop to discuss the FEC's potential closing of the W Pine St Railroad Crossing in exchange for substantial infrastructure type improvements along the Town's entire railroad corridor. The meeting was well attended and many issues and concerns were discussed. Immediately following the Workshop, a Working Lunch was held between Town staff and our railroad partners.

Temporary Crossing Closure

The W Pine Street railroad crossing will be temporarily closed (dates tbd) to allow for the construction of the Water Main Replacement Project at that location. Detour signs and barricades will be placed on both sides of the construction site. During the temporary closure, staff will study the impact on traffic at the remaining crossings which include: W Lantana Rd, W Ocean Ave, W Central Blvd, and Hypoluxo Rd. The Town will announce any updates relating to this closure on our social media platforms. We apologize for any inconvenience that this required temporary closure may cause.

Evergreen Cemetery Information

The Town and the Lantana Historical Society have partnered together to install a fence around the perimeter and concrete monuments for the SW and SE boundaries of the Evergreen Cemetery site. The project was completed in October 2023.

The Town would like to acknowledge and give special thanks to the estate of Mr. Dwight Bradshaw, a former resident and Lantana Historical Society member for their contribution towards this effort. A dedication ceremony is being planned for the near future – details to follow.

New Residential Solid Waste and Recyclable Materials Collection and Disposal Services Contract

At the 06/12/2023 Town Council Meeting, the Town Council awarded the above-referenced contract to Coastal Waste and Recycling of Florida, Inc. (Coastal). The new service began on 10/02/2023.

The collection time for your residence may vary from collection day to collection day based on traffic, the amount of materials collected and potential route changes. In order to ensure timely pickup, place your container, bulk and/or vegetation out by 7:00 a.m. on your scheduled pick-up day. Containers, bulk and vegetation cannot be picked up if it's not outside by the specified time and placed properly at the end of the driveway nearest the mailbox.

If you have any questions or concerns about your home or business's waste and recycling collection, please contact Coastal directly at lantana@coastalwasteinc.com or call (561) 819-8887.

Library Parking Lot Lights

In conjunction with the Library Renovation Project, staff requested that two (2) parking lot lights be installed around the parking lot area. The permit and work request were filed with FPL and the decorative light poles have been installed. The remaining pole fixtures and electrical hook ups are pending/on order with an expected completion date of 12/2023.

Dixie Hwy and Lakeview Ave Intersection

Residents requested that the lighting be upgraded to support safety concerns at this intersection. Staff submitted the request to FPL and the additional light was installed in 10/2023. Additional; efforts to remove the wooden poles is underway.

Exhibit A – Public Services Department's Ongoing Prior Year Capital Projects

Project	Funding Year	Start Date	Estimated Completion	Comments
WTP High Service Pumps Replacement	FY 2020/21 (rolled over to FY 2021/22)	08/2021	12/2023	Project is substantially complete and undergoing evaluation. Awaiting final inspection.
Lift Station Rehabilitation (6,16 & 18)	FY 2020/21 (rolled over to FY 2021/22)	TBD	TBD	Contract awarded & underway. Submittals approved awaiting equipment delivery. Project on hold pending coordination with FPL for transformer and pole installation.
Sea Pines Stormwater Pump Station	FY 2020/21 (rolled over to FY 2021/22)	7/2023	12/2023	Long lead time equipment delivered 07/2023. Project is underway. Downstream improvements completed. Wet well work and piping underway in the basin.
Water main Replacement Under FEC @ Pine St	FY 2020/21 (rolled over to FY 2021/22)	06/2023	TBD	Project/crossing closure is on hold pending reevaluation of construction method and change to FEC permit.
Beach Pavilion Repairs	FY 2020/21 (FY 2021/22 not funded)	TBD	TBD	Bldg. use/purpose being evaluated as part of the Master Plan.
Filter Media Replacement & WTP Improvements	FY 2020/21 (rolled over to FY 2021/22), additional funds added in FY 2022/23	Underway	12/2023	Approved by Town Council 06/12/2023. 12/2023 estimated start following completion of High Service Pump Project.
SE Atlantic Dr, Beach Curve Rd, Barefoot Lane, Lagoon Lane, N Atlantic Drainage Improvements	Included in FY 2021/22 year-end budget amendment	TBD	TBD	Design underway.
Beach Rails (Phase II)	FY 2021/22	TBD	TBD	Project was deferred until FY 2022/23. CSA being evaluated. Master Plan impact to be considered.
Pipe Lining/Manhole Rehabilitation Sanitary Sewer	FY 2021/22	TBD	09/2024	Underway.
Phase I AC Pipe Replacement (Phase I)	FY 2021/22	TBD	TBD	CSA awarded to Baxter & Woodman 11/14/2022. Design, bids opened. Awaiting award recommendation from Baxter & Woodman.
Additional Funds to Replace 2008 International 430C (Grapple Truck)	FY 2022/23	10/2022	TBD	Vehicle ordered. Estimated delivery TBD.
Replace Bus Shelters	FY 2022/23	10/2022	09/2024	PO submitted. Bus shelter being manufactured.
Repair Seawall @ Bicentennial & Sportsman's Parks	FY 2022/23	August 2022	TBD	Pending Grant Approval.
Recoat Seawall Sheet (Lantana Beach)	FY 2022/23	TBD	TBD	None at this time.
Additional Funding for ADA Ramp Replacement (Lantana Beach)	FY 2022/23	TBD	TBD	Insurance claim has been settled, Ramp Design TBD.
Replace Wooden Decking, Rafters & Rails (Lantana Beach)	FY 2022/23	10/2022	TBD	CSA for Design being evaluated. Impact of Master Plan being considered.
Design: Asbestos Cement (AC) Water Mains (Phase II)	FY 2022/23	TBD	TBD	Awaiting CSA.
CSA to Prepare Town's Comprehensive Water, Wastewater, Roadway, Seawall, Parks & Recreation Facilities & Stormwater Master Plan	FY 2022/23	01/2023	12/2023	Approved 11/14/2022. PO awarded to Baxter & Woodman. Kickoff meeting held 02/09/2023. 75% review has been completed.
CSA to Prepare Town's Comprehensive Water, Wastewater, Roadway, Seawall, Parks & Recreation Facilities & Stormwater Master Plan	FY 2022/23	01/2023	12/2023	Approved 11/14/2022. PO awarded to Baxter & Woodman. Kickoff meeting held 02/09/2023. Project underway.
Install Emergency water main connection with Lake Worth Beach	FY 2022/23	TBD	TBD	Approved by Town Council 08/14/2023. Agreement dated 09/14/2023.

Exhibit B – Public Services Department’s Capital Projects included in FY 2023/24 Adopted/Amended Budget

Project	Funding Year	Start Date	Estimated Completion	Comments
Townwide improvements (e.g., trash receptacles, landscaping, etc.)	FY 2023/24	10/2023	09/2024	TBD
Installation of lighting along Greynolds Circle for holiday events	FY 2023/24	10/2023	11/2023	Complete.
Installation of electrical outlets for holiday decorations along West Central/Finlandia	FY 2023/24	10/2023	11/2023	Complete.
Holiday decorations for Greynolds Circle	FY 2023/24	TBD	TBD	TBD
Community/park improvements (e.g., benches, trash receptacles, landscaping, etc.)	FY 2023/24	10/2023	09/2024	TBD
Upgrade playground equipment at Maddock Park	FY 2023/24	TBD	TBD	TBD
Replace fence around northern tennis court	FY 2023/24	TBD	TBD	TBD
Resurface basketball court at Sports Park	FY 2023/24	TBD	TBD	TBD
Replacement of 2004 Ford Ranger	FY 2023/24	10/2023	TBD	Purchase was approved by Town Council on 10/23/2023.
Repair smaller beach pavilion	FY 2023/24	TBD	TBD	TBD
Replace roof at Recreation Center	FY 2023/24	TBD	TBD	TBD
Replace Marine Safety building roof and sidewalk; paint building	FY 2023/24	TBD	TBD	TBD
Replace roof and flooring in Development Services building	FY 2023/24	TBD	TBD	TBD
Repair and replace tiles and upgrade fountain system to the Police Memorial	FY 2023/24	TBD	TBD	TBD
Reseal walls at the Police Department building	FY 2023/24	TBD	TBD	TBD
Recoat the sea wall at the Lantana Municipal Beach	FY 2023/24	TBD	TBD	TBD
Air conditioner replacements	FY 2023/24	10/2023	09/2024	TBD
Additional funding to replace the ADA Ramp at Lantana Beach	FY 2023/24	TBD	TBD	TBD
Additional funding to replace wooden decking, rafters and railing along the beach boardwalk.	FY 2023/24	TBD	TBD	TBD
Replace Town Hall windows with hurricane-rated impact windows	FY 2023/24	TBD	TBD	Sub-application pending with FDEM.
Council Chambers Renovations	FY 2023/24	TBD	TBD	TBD
Construct classrooms and Emergency Operations Center at Police Department	FY 2023/24	TBD	TBD	TBD
Architectural services to design office space at the Operations Center	FY 2023/24	TBD	TBD	TBD
Computer replacement and related equipment: Utilities Manager	FY 2023/24	TBD	TBD	TBD
Automatic flushing system for water distribution system	FY 2023/24	TBD	TBD	TBD
Replacement of asbestos concrete piping	FY 2023/24	TBD	TBD	TBD
Replacement of a utility truck including a lift gate	FY 2023/24	TBD	TBD	Seeking Town Council approval to purchase on 12/11/2023.
Replace water meters w/Automated Meter Reading System (AMR)	FY 2023/24	TBD	TBD	TBD
Storage building at Master Lift Station	FY 2023/24	TBD	TBD	TBD
Design to convert lift stations 3, 4, 8, & 9 from a dry pit to submersible pump system	FY 2023/24	TBD	TBD	TBD
Begin GIS location and mapping for stormwater and sewer infrastructure	FY 2023/24	TBD	TBD	TBD
Replacement of a 2011 Ford F350 crane utility truck	FY 2023/24	TBD	TBD	Seeking Town Council approval to purchase on 12/11/2023.
Replace roof at Water Treatment Plant (WTP)	FY 2023/24	TBD	TBD	TBD
Brine Tank Replacement	FY 2023/24	TBD	TBD	Temporary solution being evaluated. Temporary tank being delivered 11/20/2023.

DEVELOPMENT SERVICES DEPARTMENT

Water Tower Commons Project Update

Town staff continues to work closely with the Developers of the Water Tower Commons site. Currently, staff is processing appropriate permits and inspections for the recently approved amendment to the Special Exception, Site Plan and Landscape Plan to include a portion of the eastern commercial side of the project as well as a Fifth Third Bank. Recently a certificate of occupancy was issued for the El Car Wash. As part of the approval of the Water Tower Commons Project, the Developer was required by Palm Beach County (PBC) to install a mast arm traffic light at the project's entrance. Since Lantana Rd is County-owned and maintained, Town Staff has recently been engaged in discussions with PBC as well as the Developer regarding the mast arm and it appears that all parties agree that this requirement is a priority.

Treasure Coast Regional Planning Council (TCRPC), Master Plan Update

The Master Plan was successfully adopted by the Town Council at the 07/24/2023 Town Council Meeting. Since that time, the following actions have been taken:

- The adopted Townwide Master Plan has been posted on the Town's website at: <https://www.lantana.org/news/post/15421/>.
- Staff has formed the Master Plan Committee, a volunteer group of residents from various neighborhoods to provide input on the Master Plan and ongoing projects.
- Digital copies of the Master Plan have been distributed to potential developers and stakeholders.
- Staff has presented to the Town Council on highlights of the Master Plan in relation to the proposed redevelopment of the Kmart Plaza.
- Staff has worked with the vacant Ocean Avenue property owners on a redevelopment plan for the parcels, in keeping with the Master Plan proposal for the properties.
- \$100k worth of funding has been included in the FY 2023/24 budget for related projects.

Code of Ordinance Modifications

In the past, Town residents and property owners have expressed concerns with the PBC Right-of-Way dedication along Lantana Rd. Ordinance (O-07-2023) clarifies that the dual-rational nexus must be proven in order for any conditions of approvals to be added to a Town issued Development Order that would require a property owner to dedicate or deed any portion of their property to PBC for right-of-way purposes.

Business Tax Receipts (BTRs)

FY 2023/24 BTRs went on sale on 07/01/2023 at the Development Services Department. In order to be in compliance, any business or rental property operating in the Town should have paid their BTR for the new fiscal year by September 30th. If payment has not been received by this date, they are considered overdue. Payments can be made in person or by mail, via check.

Traffic Calming

Staff is currently working with our contracted Traffic Engineer on residents who have expressed traffic concerns for their neighborhoods. Recently, Melody Ln was closed temporarily to observe impacts for a future permanent closure. The Hypoluxo Island neighborhood is exploring additional signage to slow traffic speeds. Traffic data was recently gathered in the Southwinds neighborhood and a community meeting was held on 11/20/2023. A community meeting was recently held for the S Lake Dr traffic calming application where it was determined that temporary speed cushions should be installed. Feel free to reach out to the Development Services Department at Planning@lantana.org for details related to these projects.

Livestock

Please note that it is unlawful to keep, raise, harbor and/or maintain, within the Town's limits, any chickens, geese, turkeys, horses, mules, sheep, cattle, hogs, pigs (with the exception of a miniature pig, or micro pig or teacup pig) goats or other livestock or fowl. Please reference Chapter 4 of the Town Code of Ordinances for more details.

Development Services Ongoing Projects

- Multiple Variance, Site Plans and Special Exception requests. Feel free to reach out to the Development Services Department at Planning@lantana.org for details.
- Ongoing discussions with the property owners of the vacant properties along Ocean Ave of Downtown for demolition and redevelopment.
- Ongoing discussions with the property owners of the vacant Kmart along Dixie Hwy for redevelopment of a Planned Development.
- Coordination with CentralSquare Technologies to implement online permitting.
- Formation and Coordination of the Resident Master Plan Committee.
- Coordination with the Greater Lantana Chamber of Commerce.
- Participation in the Intergovernmental Plan Amendment Committee.
- Monthly Special Magistrate Hearings.
- Monthly (as needed) Planning Commission Meetings.

FINANCE DEPARTMENT

Parking and Boat Trailer Decals

Parking and boat trailer decals are on sale now at Town Hall and are good through 09/30/2024. Additional information may be found at <https://www.lantana.org/parkingpermit>.

American Rescue Plan Act (ARPA) Funding Update

The Town received a total of \$6.3M in ARPA funds to be used for various eligible operating and capital projects that benefit the Town. The ARPA annual reports were submitted to the U.S. Department of the Treasury on 04/08/2022 and 04/20/2023, respectively. To date, more than \$4.5M of ARPA funds have been committed for various related projects, leaving approximately \$1.8M for other projects. Staff continues to evaluate and recommend projects to be funded from this source for Council consideration which must be obligated by 12/31/2024, and expended by 12/31/2026.

FY 2023/24 Annual Budget

The budget process began in April 2023. The FY 2023/24 annual budget documents were distributed to departments who submitted their requests back to the Finance Department at the end of April. Meetings transpired mid-May where Management reviewed departmental requests. Public budget workshops occurred on 06/12/2023 and 07/10/2023 where the draft budget was discussed. The proposed millage rate and FY 2023/24 proposed budget were discussed and tentatively adopted at the 09/11/2023 public hearing and subsequently adopted at the second and final public hearing on 09/20/2023.

Hiring Opportunities

The Town of Lantana is accepting applications for career opportunities. Interested applicants can apply online for positions by visiting our career page at <https://www.lantana.org/jobs>.

GFOA Award

The Government Finance Officers Association of the United States and Canada (GFOA) has awarded the Certificate of Achievement for Excellence in Financial Reporting to the Town for its ACFR for the fiscal year ended 09/30/2021. The report has been judged by an impartial panel to meet the high standards of the program, which includes demonstrating a constructive "spirit of full disclosure" to clearly communicate its financial story and motivate potential users and user groups to read the report.

The Certificate of Achievement is the highest form of recognition in the area of governmental accounting and financial reporting, and its attainment represents a significant accomplishment by a government and its management.

GRANTS

Community Development Block Grants (CDBG)

- FY 2023/24 CDBG Grant (Community Sensory Garden with ADA Accessibility)

On 03/08/2023, the Town applied for the above referenced grant in the amount of \$53k for improvements to the Library's Outdoor Garden Area. The current outdoor space would be replaced with an ADA accessible Garden Area that is designed to accommodate and engage individuals with physical disabilities and sensory processing disorders. This project will focus on adding elements that engage the five (5) senses and making the space an inviting area that can be used by individuals in wheelchairs and those using walkers. The main elements that this project will incorporate are as follows:

- Remove sections of existing pavers.
- Install ADA accessible winding path.
- Install raised planters at an ADA accessible height with plants that appeal to multiple senses.
- Install a shade structure.
- Provide toys and activity stations that engage multiple senses, including a custom water station.

The status of this project is currently in the planning phase. On 07/12/2023, the Board of County Commissioners approved the use of CDBG funds for this project.

American Library Association's (ALA) Libraries Transforming Communities Grant: Accessible for Small and Rural Communities

- In the beginning of March 2023, the Library applied for the above referred grant in the amount of \$20k for the purpose of increasing the accessibility of facilities, services and programs to better serve people with disabilities. This would include adding automatic door openers to our front and garden doors, along with starting an accessible sensory garden and special morning program for those with disabilities and processing disorders. On 04/19/2023, the Library was informed that it had been selected to receive the grant.

Florida Humanities Organization – Florida Talk Program Grants

The Library recently received two (2) grants from the state's Florida Humanities Organization for its Florida Talk Programs. The grant paid for the two (2) speakers to present Florida's history, heritage and culture through historical and contemporary lenses which occurred in October and November 2023.

Florida Recreational Development Assistance Grant (FRDAP)

The Town worked with our professional grant writer to research, write, prepare and submit two (2) grant applications for the FY 2023/24 FRDAP Grant Program and one (1) application for the FY 2024/25 FRDAP Grant Program.

The FY 2023/24 grant applications pertain to various improvements at Maddock Park and Bicentennial Park.

- The Town conducted a public meeting on 08/17/2022 to discuss capital improvements to Lantana Bicentennial Park. The sole purpose of this meeting was to discuss a \$200k FRDAP grant application to help finance improvements at the park.

- The Town conducted a public meeting on 08/17/2022 to discuss capital improvements to Maddock Park. The sole purpose of this meeting was to discuss a \$113k FRDAP grant application to help finance improvements at the park.

On 05/03/2023, the Town was informed (via email) from our professional grant writer that both of the grants referenced above had been funded in the State's FY 2023/24 budget.

The FY 2024/25 grant application pertains to various improvements at Lantana Beach Park.

- The Town conducted a public meeting on 08/25/2023 to discuss capital improvements to Beach Park. The sole purpose meeting was to discuss a \$150k FRDAP grant application to help finance improvements at the park.

Congressional Community Project Funding (CPF) Opportunities

FY 2022/23 Grant Submission

On 04/12/2022, the Town submitted a \$1.2M grant application through Congresswoman Lois Frankel's Office for CPF to replace some of the Town's oldest water mains that are made up of Asbestos Cement (A/C). On 12/24/2022 – the Town was notified by Congresswoman Lois Frankel's Office that the Community Project Funding request for \$1.2M for water main replacement was included in the final bill passed by the House and Senate and signed by President Biden. The Town would like to give a special thanks to the Congresswoman for selecting and sponsoring the Town's project and to the Public Services Department for their hard work on preparing the proposal. The Town is excited for this project to move forward and improve our community and we will work with the appropriate federal agency to submit the required documentation in order to receive the funding.

FY 2023/24 Grant Submission

Town staff has recently submitted through Congresswoman Lois Frankel's Office the following two (2) additional grant applications for FY 2023/24:

- Priority 1 – \$3.6M grant application to continue the Town's asbestos cement (A/C) Water Main Replacement Program.
- Priority 2 – \$3.6M to replace the filter media and associated upgrades to the resin containment vessels at the Town's WTP Facility.

On 08/16/2023, the Town received confirmation from Congresswoman Lois Frankel's office that nearly \$1M (to support the priorities above) has been included in the Federal Interior Bill for improvements to our Water Treatment Plant (*this is a great first step*). In terms of a timeline, the Federal FY 2024 budget will likely take several months of negotiation throughout the Fall. It's possible it will not get passed until December or later, or not at all. Although nothing is certain on this project, it is definitely good news to see it included through this point. Many thanks to Congresswoman Lois Frankel and her staff for their continued support of the Town!

Infrastructure Grant Information

On 02/22/2022 and on 03/22/2022, staff met with our engineers, consultant and a professional grant writer to discuss multiple potential grant funding opportunities to the Town including:

Florida Department of Environmental Protection – Resilient Florida Grant Program

Asset Inventory and Ocean Avenue Vulnerability Assessment

On 06/22/2022, Town staff worked in conjunction with our professional grant writer to submit through the Florida Department of Environmental Protection (FDEP) a grant application to conduct an Asset

Inventory and Ocean Ave. Vulnerability Assessment in the amount of \$167k (with no grant match amount) to:

- 1) Conduct a Critical Asset Inventory for Lantana (as required by statute); and
- 2) Complete a Vulnerability Assessment for the assets owned and managed by the Town located within the Ocean Ave corridor from US-1 to the Municipal Beach, which includes Bicentennial Park, Lyman Kayak Park, Sportsman's Park boat ramps, Lantana Nature Preserve and the Municipal Beach facilities.

At the 07/11/2022 Town Council Meeting, the Town Council adopted Resolution No. R-08-2022, supporting the initiative.

On 02/22/2023 the Town received notification from the Resilient Florida Program that our grant application had been included in the Fiscal Year 2022-2023 Resilient Florida Program Planning Grant Awards and that we would receive \$167k to conduct an Asset Inventory and Ocean Ave. Vulnerability Assessment. Staff will continue to work with the appropriate oversight agencies to ensure all grant requirements are met.

Town of Lantana Beach Curve Flood Protection

On 09/01/2022, Town staff worked in conjunction with our professional grant writer to submit through the Florida Department of Environmental Protection (FDEP), a grant application to conduct the Beach Curve Flood Protection project in the amount of \$711k, with a Town Match of \$711k for a total of \$1.422M to:

- 1) Improve an existing pump station to increase the pump station capacity including replacing the pump and expanding the wet well of the station.
- 2) New inlets, manholes, and pipes will be installed in the vicinity of the pump station (on Beach Curve Road and Bare Foot Lane) to collect and convey stormwater to the station. This work includes the removal of the existing 6-inch drainage pipe and yard drain inlets located south of the wet well to Barefoot Lane and replacing them with 18-inch RCP drainage pipe and FDOT Type C inlets. This will increase the volume of runoff to the pump station wet well, allowing the pumps to better discharge the water from the site. A drainage pipe is also proposed to extend along Beach Curve Lane north of the pump station to collect drainage runoff that ponds in that area as well.

On 11/13/2023 Town Council approved a grant agreement with FDEP for grant funding in the amount of \$711k with a Town match of \$711k (50% match), totaling \$1.421M.

Town of Lantana Seawall Hardening

On 09/01/2022, Town staff worked in conjunction with our professional grant writer to submit through the FDEP, a grant application to conduct a seawall hardening project at Bicentennial Park in the amount of \$900k, with a Town Match of \$900k for a total of \$1.8M to:

- 1) Rehabilitate almost 2,100 linear feet of existing public seawall directly adjacent to high-density, multi-family housing, commercial structures, and a major roadway.
- 2) Protect public safety from sea-level rise, high tides, wet weather events, and storm-related surge flooding. The current condition of the Bicentennial Park Seawall is unstable and insufficient for community protection from rising water levels and flooding events. Project construction will include, mobilization, traffic maintenance, site excavation, temporary bracing, helical anchoring and installation, and site restoration.

On 07/13/2023, the Town was informed (via email) from our professional grant writer that both the Seawall Hardening and Beach Curve Flood Protection grants referenced above have been awarded by the Governor. The next step will be for the FDEP and the Town to develop a contract.

2023 Rebuild Florida General Infrastructure Grant

Staff is currently working with our professional grant writer to submit two (2) Grant applications under this funding source that may include:

- 1) Water Main Improvements.
- 2) Water Treatment Plant Improvements.

State Appropriations Project Request – FY 2023/24

Early in FY 2022/23, the Town submitted two (2) state appropriation project requests through our Lobbyist – Mat Forrest of Ballard Partners which would be considered for funding by the State for their fiscal year which began 06/01/2023. These projects included:

- 1) \$1.2M for a Water Main Replacement Project funded by the Florida Department of Environmental Protection's Legislative Appropriation Grant.
- 2) \$750k for a Project to Replace Resins, Filter Media and the Upgrade of Treatment Units at our Water Treatment Facility.

On 05/10/2023, we were informed by our Lobbyist that our \$1.2M request for a Water Main Replacement Project (Budget Line 1705A) was included in the State's FY 2023-2024 Budget which was passed by the Legislature and subsequently signed by the Governor on 06/15/2023. On 06/15/2023 we were informed by our Lobbyist that the Governor's veto list was posted and the Town's project was not on it and was therefore included in the final budget.

On 08/22/2023, the Town Council approved entering into an agreement with the Florida Department of Environmental Protection (FDEP) for the \$1.2M appropriation for the FY 2023/24 Water main Replacement project to:

- 1) Replace the existing 14-inch, 12-inch, and 8-inch water mains. The 14-inch water main (approximately 250 LF) is located within the Town's WTP site, between the finished water meter vault and Broadway. The 12-inch water main (approximately 1,350 LF) is located along Broadway between the intersections of Broadway and Pine St to Broadway and W Drew St. The 8-inch water main (approximately 1,950 LF) is located along W Pine St from the intersection of W Pine St and S Arnold Ave to W Pine St and S 3rd St.

State Appropriations Project Request – FY 2024/25

The Town has recently submitted two (2) state appropriation project requests through our Lobbyist – Mat Forrest of Ballard Partners which will be considered for funding by the State for their fiscal year which begins 06/01/2024. These projects include:

- 1) \$1.2M for a Water Main Replacement Project funded by the Florida Department of Environmental Protection's Legislative Appropriation Grant.
- 2) \$1.5M for a Project to Replace Resins, Filter Media and the Upgrade of Treatment Units at our Water Treatment Facility.

Florida Local Government Cybersecurity Grant

The Town's Information Technology Division is pleased to announce its application for the Florida Local Government Cybersecurity Grant has been awarded by the State. This is a competitive grant program to provide cybersecurity technical assistance and capabilities to Florida's local governments to improve their cybersecurity posture and resiliency. This grant will fund and expand the Town's security infrastructure to include a dedicated 24 hours-a-day security operations monitoring system and enhanced endpoint protection with expanded security event information management.

It is important to note, that all of these funding sources have various deadlines, criteria and possibly

cost-sharing requirements that the Town would need to meet in order to qualify for consideration. We are working with all of our business partners referenced above to determine which current and/or future projects may be most likely to be funded under the existing provisions and we will continue to apply for such funding, if applicable.

Florida Department of Transportation Beautification Grant – FY 2023/24

On 09/11/2023 the Town Council approved Resolution No. R-07-2023 to authorize the Town Manager to apply for and accept a Beautification Grant (on behalf of the Town) in the amount of \$80k, and enter into a Beautification Grant, landscape construction and maintenance memorandum of agreement with the Florida Department of Transportation (FDOT). The proposed project area contains the four (4) medians on Dixie Hwy from Waterway Dr S to E Pine St. The proposed project would consist of improvements to the current landscape and irrigation system.

Award notices are tentatively scheduled to be sent to applicants on 11/23/2023.

Florida Department of Agriculture and Consumer Services Grant – FY 2024/25

The new Urban and Community Forestry Grant program focuses on invasive species control and reforestation. The Town's professional grant writer is assisting with applying for the Urban Forestry Grant funded through the Florida Department of Agriculture and Consumer Services. The Town is requesting \$75k to identify and remove exotic/invasive species from the Nature Preserve and the replanting of native trees. The funding period will be for FY 2024/25.

LIBRARY DEPARTMENT

Library Update

Library checkouts are up 57.5%. No area libraries are seeing growth in circulation statistics (i.e., book check-outs), so this is great news for us. Not only has it exceeded last year's number, but it has exceeded the numbers for the last decade, as well.

We have also issued 225% more new library cards than any of the previous 10 years. In fact, so many library cards have been issued that we had to order new cards!

Read for the Record Party

The Town was delighted by the turnout and support for the Literacy Coalition of Palm Beach County's Read for the Record event in November! The Town of Lantana sent 37 volunteer readers to 18 different partner sites and read to a total of 2,468 attendees. We were able to recruit Town Staff, our Mayor, the Town Manager, our Police Department, local business owners, residents and even former residents whose alma mater was Lantana Elementary to go to the schools. We also partnered with Palm Beach Fire Rescue for the first time thanks to Chief Geraldine Jaramillo, who sent four (4) firefighters from her team to visit the Royal Palm School.

We would like to thank everyone who volunteered and attended at the library or one of our partner sites for this extra special day! We look forward to doing it all again next year.

Programing for Kids

The Library is offering a variety of Programming for Kids including the following:

Seaside Storytime: Families with infants up to 5 years old, Every Thursday, 10:30 – 11:45 a.m.

Join Ms. Bailey Maxwell for our family storytime. Each week will feature stories, songs and rhymes. Afterward, the toys come out for playtime while caregivers can get social! Coffee provided.

My First Book Club: Ages 6-8, Tuesday, November 28th, 3:30 - 4:30p.m.

Want to grow a reader? Sign them up for our monthly kids' book club designed for K-2nd. Early reader books provided. Pre-registration required. Email bmaxwell@lantana.org or call (561)540-5740.

Paws to Read: Ages 3 and up, Wednesday, November 29th, 3:30pm

Kids can read to a therapy dog—they make the best listeners!

Programming for Teens

Nailed It! Thanksgiving Challenge: Grades 6th-12th, Monday, November 20th, 5:30 – 6:30 p.m.

Inspired by Netflix's *Nailed It!*, take an ordinary cupcake, and turn it into a Thanksgiving masterpiece!

Teen Gaming Night: Grades 6th-12th, Wednesday, November 29th, 7:00pm

We close the library and open just for teens on Wednesday night! Be prepared for board games, video, movies, and more!

Fall Program Calendar

The Town invites you to join us for the Fall Programs we will have for November. Check our website for all the events we would love you to attend! <https://www.lantanalibrary.org/calendar-of-events/>

New Library Cards

The Library's new library cards have arrived. There are three designs to choose from and a keycard for your keychain! Stop by to upgrade your card for free today.

Awards

Our Library Director, Kristine Kreidler, was awarded Young Professional of the Year by the Greater Lantana Chamber of Commerce for her work with our Library! Great job Kristine!

POLICE DEPARTMENT

Traffic Enforcement

On 10/30/2023, the Police Department reinstated the motorcycle units to enforce traffic related to concerns throughout the Town and Hypoluxo Island. The Town has received complaints from motorists about subjects entering I-95 through traffic lanes not designated for access, to avoid the backup and to cut off vehicles in the designated I-95 turn lanes. This enforcement is primarily executed in the busy morning hours with the remainder of the shift concentrated on other locations throughout the Town.

Police Department's Ongoing Projects and Current Trends

- Selective Traffic Enforcement Program (STEP) continues in various areas throughout Town to address traffic violators.
- Staff continues to work with Florida Department of Law Enforcement (FDLE) with the migration of Uniform Crime Reporting under the new Florida Incident Based Reporting System (FIBRS).
- Staff is working with County liaisons to assist homeless subjects obtain available services.
- The motorcycle unit has been reinstated and conducting traffic enforcement throughout the Town.
- Applicants for the vacant Commander position will complete the oral board process on 11/28/2023.
- Officers will be attending training with the State Attorney's Office staff with the topics of Body Worn Cameras, Search and Seizure, evidence collection and submission on 11/14 and 11/16/2023.
- Less lethal ammunition equipment has been received and training will be conducted in the near future.
- Police explorers assisted with pedestrian safety measures during the Haunted Nature Preserve event.
